PN

Priya Natarajan

Lead Product Designer, Clearbank Studio

London · One month notice · Hybrid, 3 days in office

SUMMARY

Nine years designing fintech products. Built and runs the Ledger design system used by 1.2 million customers across web and mobile. Leads a team of four designers.

EXPERIENCE

Lead Product Designer, Clearbank Studio
2021 to now
Created the Ledger design system, cut design-to-build time by a third, and led the redesign of the savings app.

Senior Product Designer, Mint & Moor
2018 to 2021
Owned onboarding and identity checks. Raised completion from 61% to 78%.

Product Designer, Fold Agency
2015 to 2018
Client work for banks and insurers.

STRENGTHS

Design systems · Fintech · Team leadership · Figma · Prototyping

RECRUITER VIEW

The strongest fit for the brief. Shortest notice and has done this exact job at scale.

EDUCATION

BA Graphic Design, Kingston University

Fictional example for the Packs demo. All people and companies are made up.
